Componenti base Basic components

Dissipatori termici e accessori Heat-sinks & accessories

Dissipatori termici in
alluminio Ø 40
Aluminium heat-sinks Ø 40

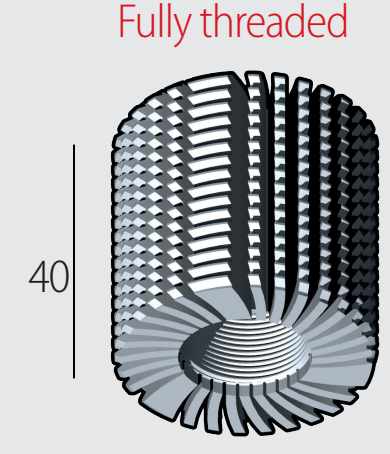

Dissipatori termici in
alluminio Ø 46
Aluminium heat-sinks Ø 46

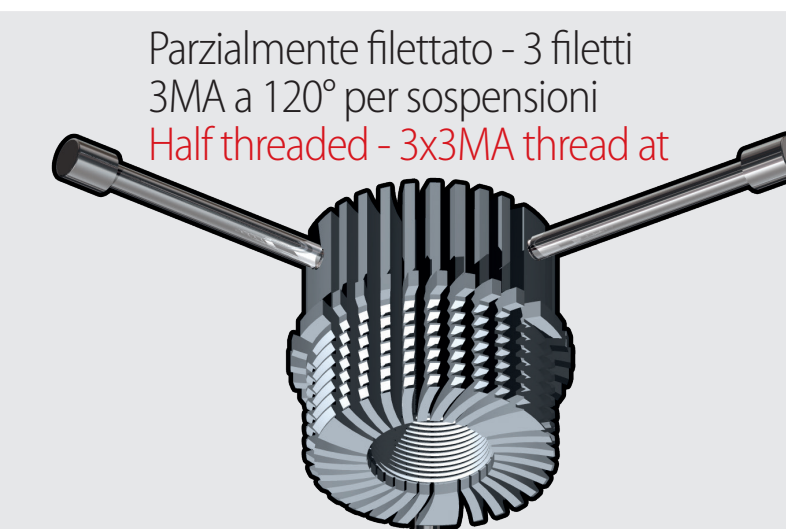

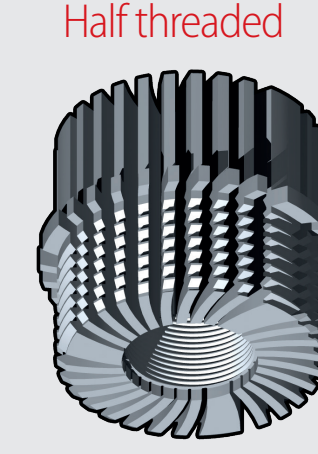

Dissipatori termici in alluminio
filettati E27
Aluminium heat-sinks external

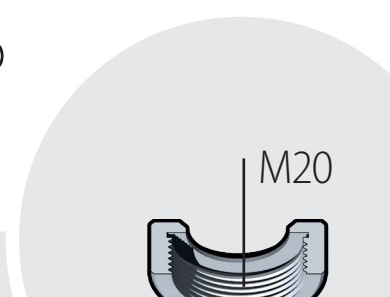

Totamente filettato
Fully threaded

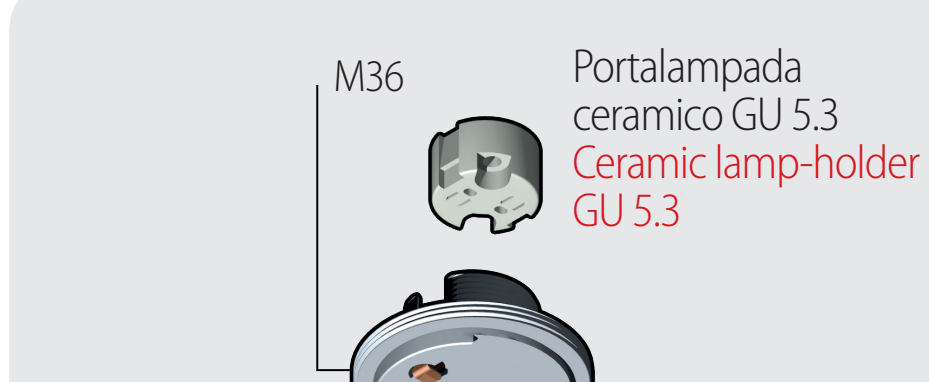

Parzialmente filettato
Half threaded

Ghiera di bloccaggio
M20
Locking M20

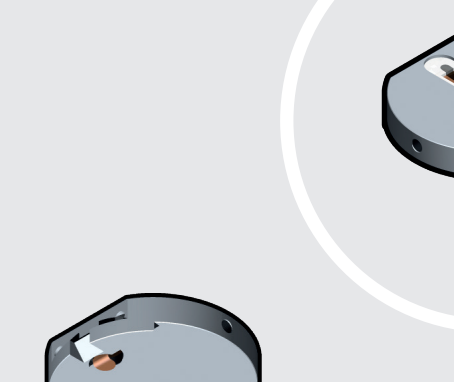

Supporto PCB con filetto esterno per lenti filettate Externally threaded PCB socket for threaded lens

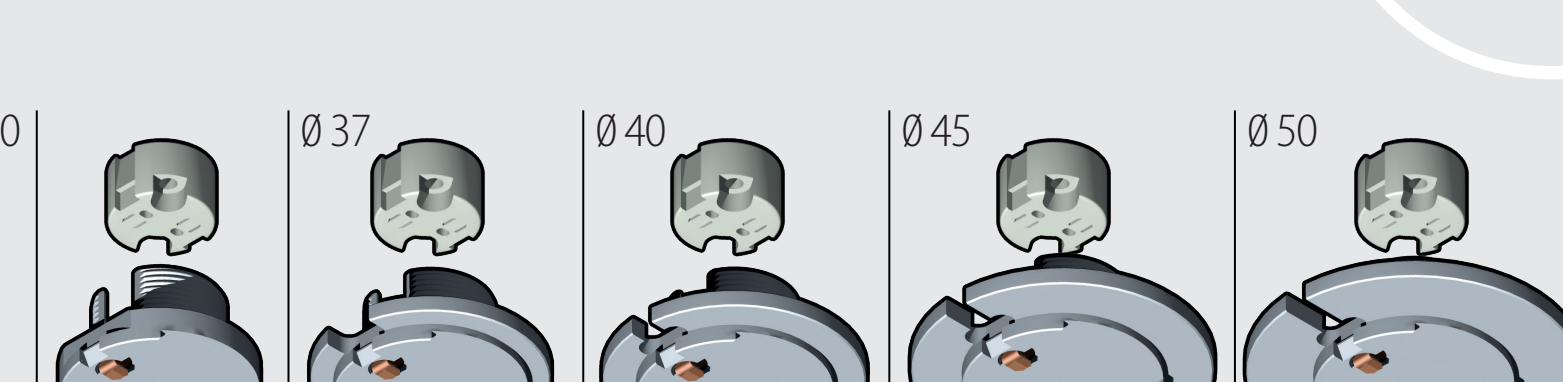

Supporti PCB per lenti con innesto a click PCB sockets for lens connection by click

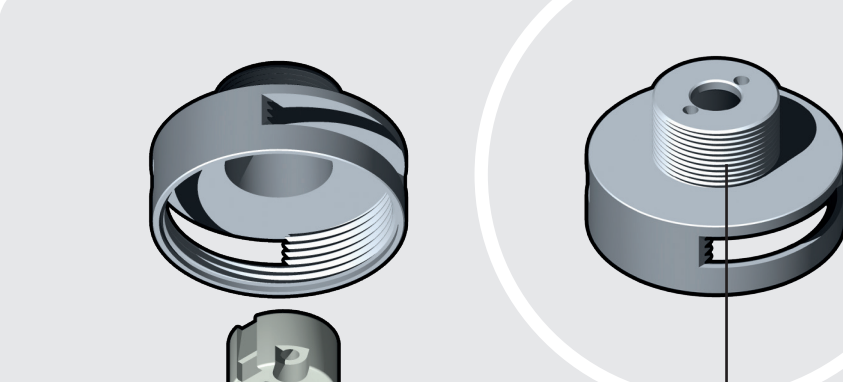

Supporto PCB con piedini posteriori
per attacco GU 5.3
PCB socket with GU 5.3 rear pins

Supporto PCB con filettatura posteriore M20
e piedini per attacco GU 5.3
PCB socket with M20 rear thread and GU 5.3 connection pins

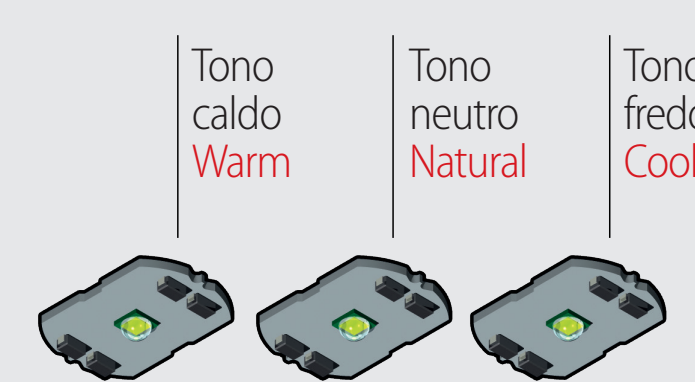

Supporto per lampadine INLED con attacco GU 5.3 da incorporare. Filetto posteriore M20. Aluminium component for INLED lamps. GU 5.3 to be fitted - Rear thread M20

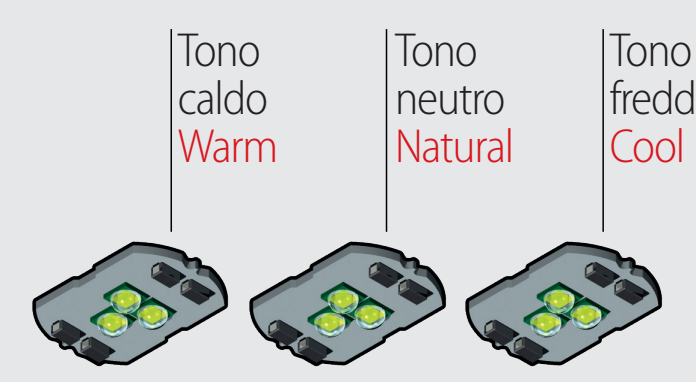

Hi-Power LED Hi-Power LED

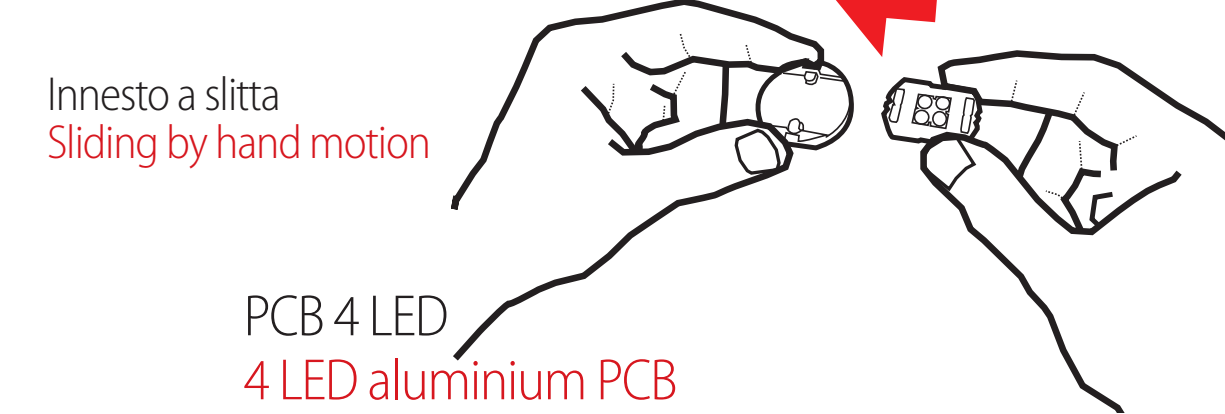

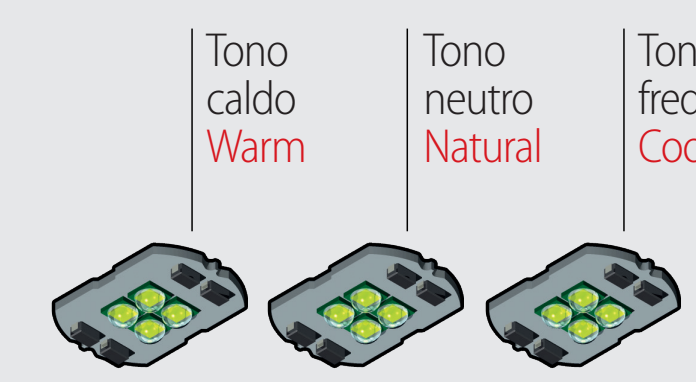

PCB 1 LED
1 LED aluminium PCB

PCB 3 LED
3 LED aluminium PCB

PCB 4 LED
4 LED aluminium PCB

Lampadine INLED con attacco posteriore GU 5.3 INLED Powerlamps GU 5.3 rear connection pins

Lampadine INLED con lente pianoconvessa
INLED Powerlamps - plano convex lenses

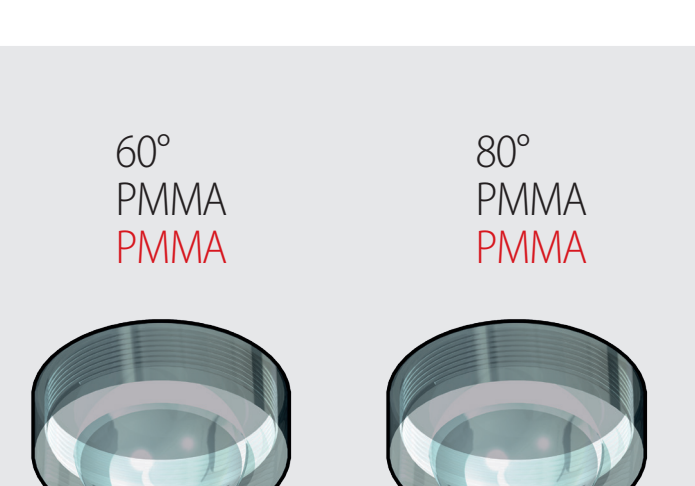

Lampadine INLED con diffusore ottico
INLED Powerlamps - optical diffusers

Lenti e diffusori ottici filettati Lenses & optical threaded diffusers

Lenti piano-convexe
Plano convex lenses

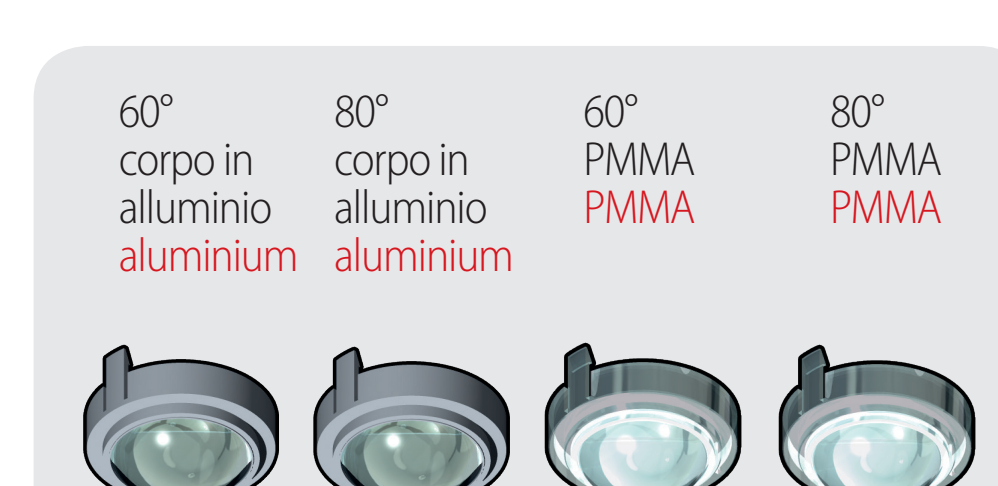

Diffusori ottici
Optical diffusers

Lenti e diffusori con innesto a click Lenses & optical diffusers to be click

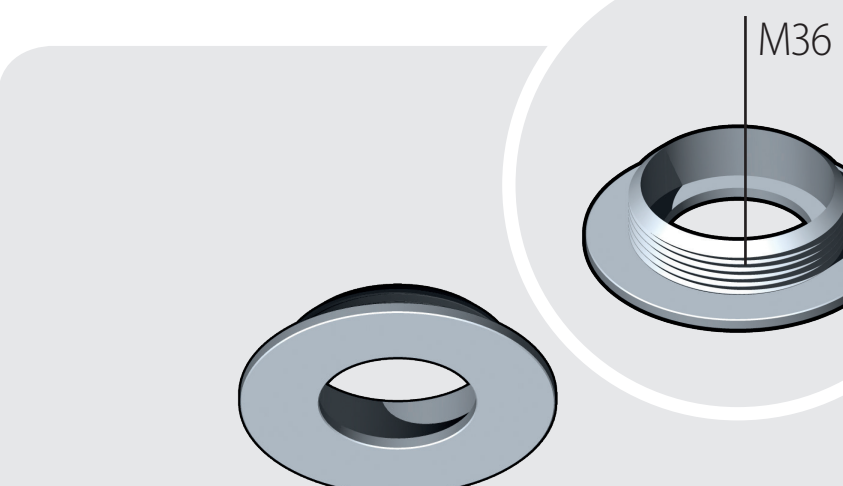

Lenti piano-convexe
Plano convex lenses

Diffusori ottici
Optical Diffusers

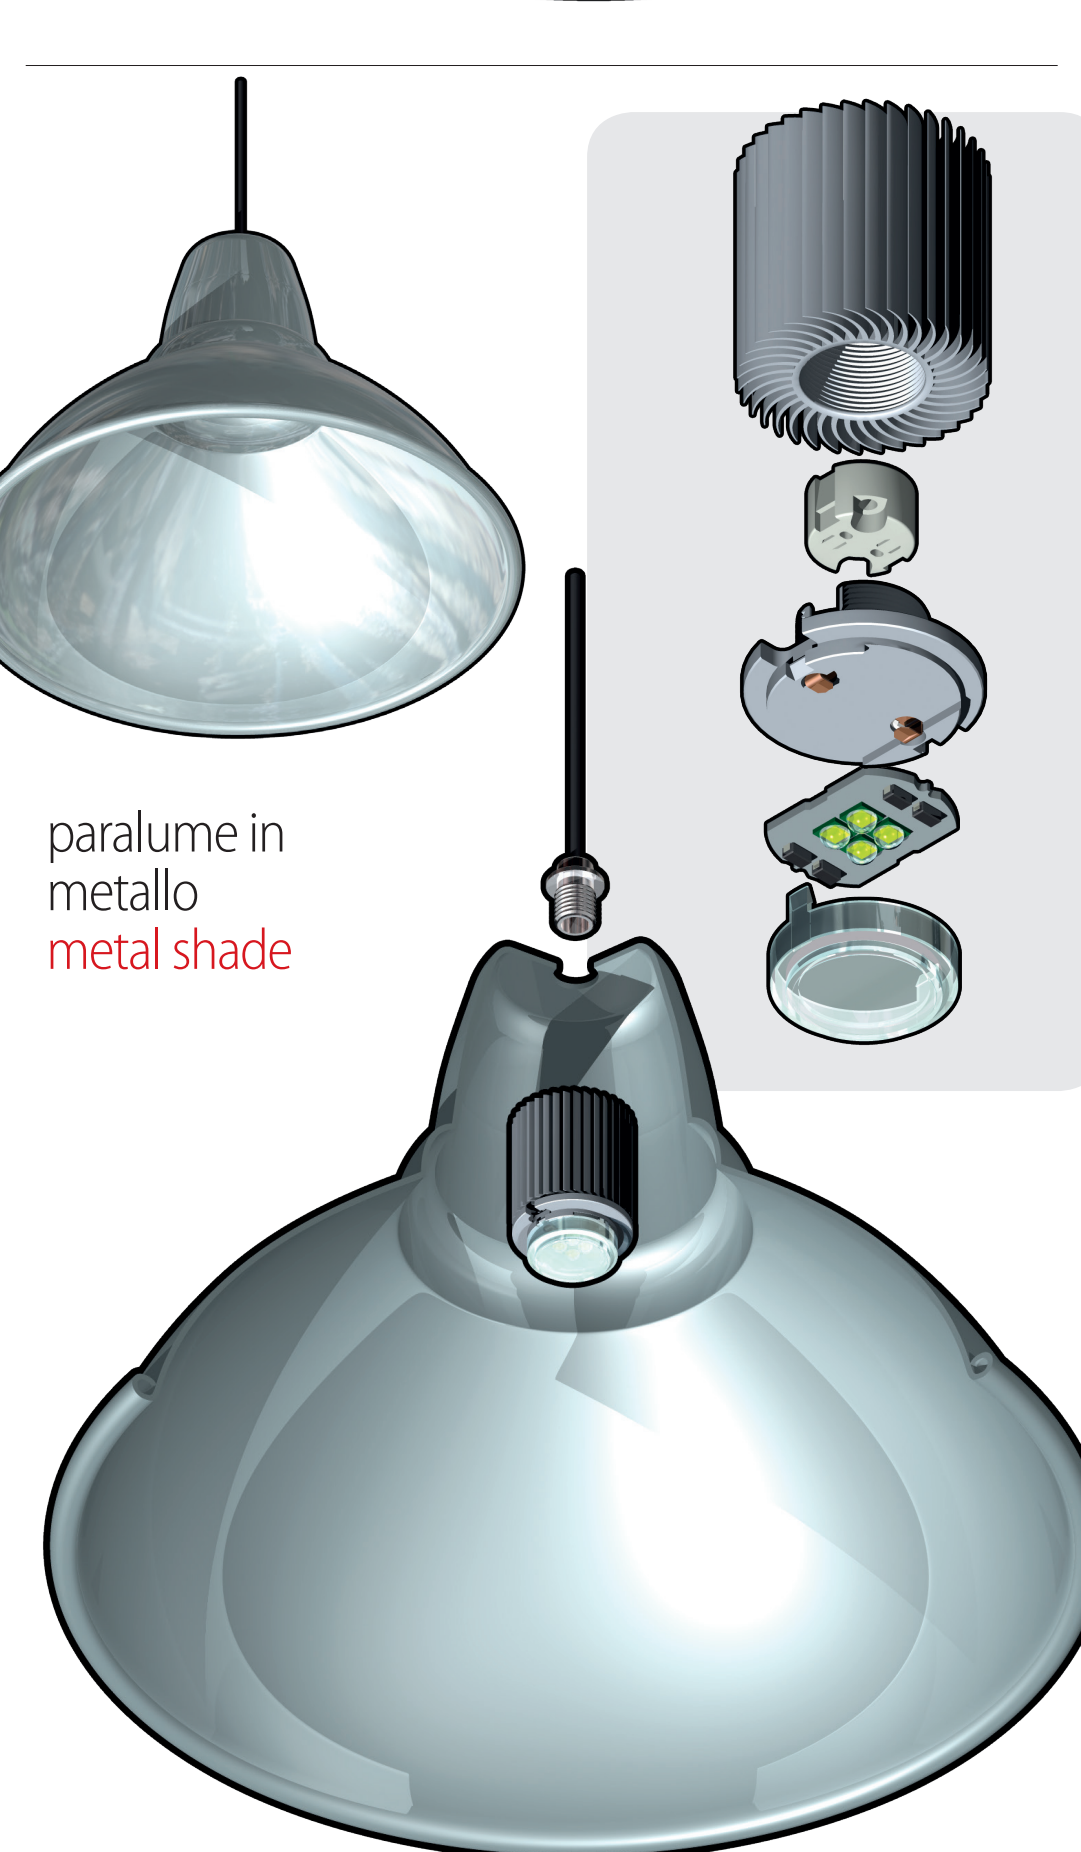

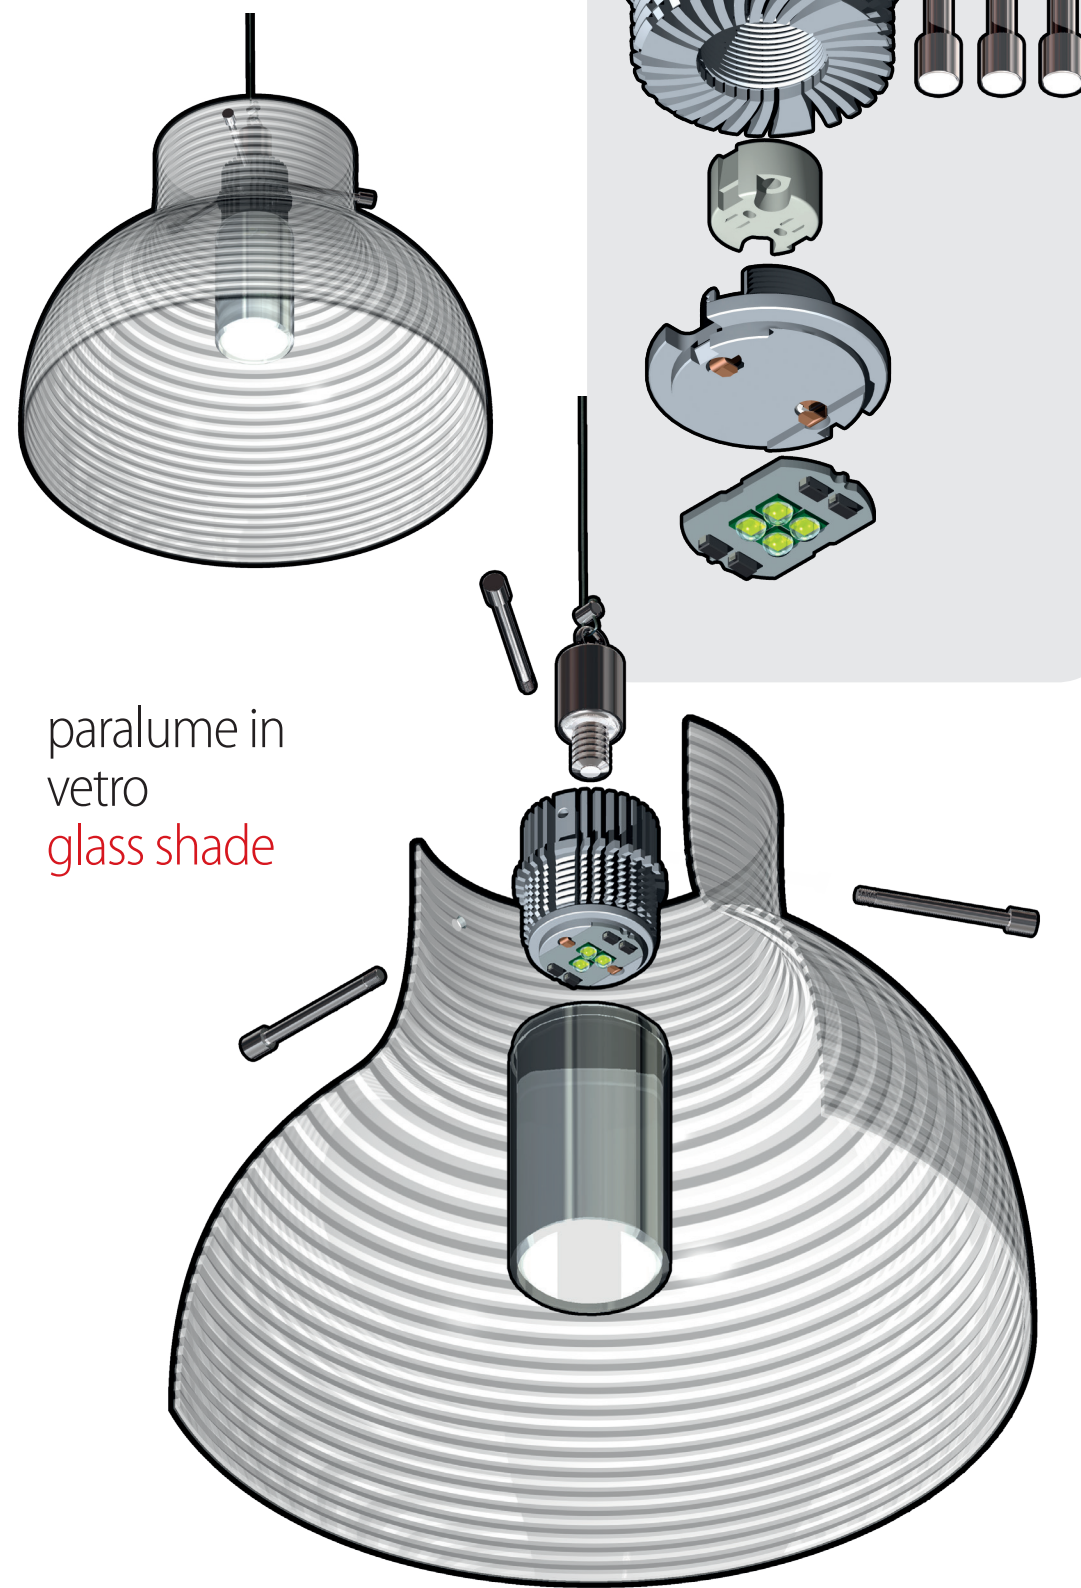

Ghiera bloccaggio lampadine INLED Locking for INLED Powerlamps

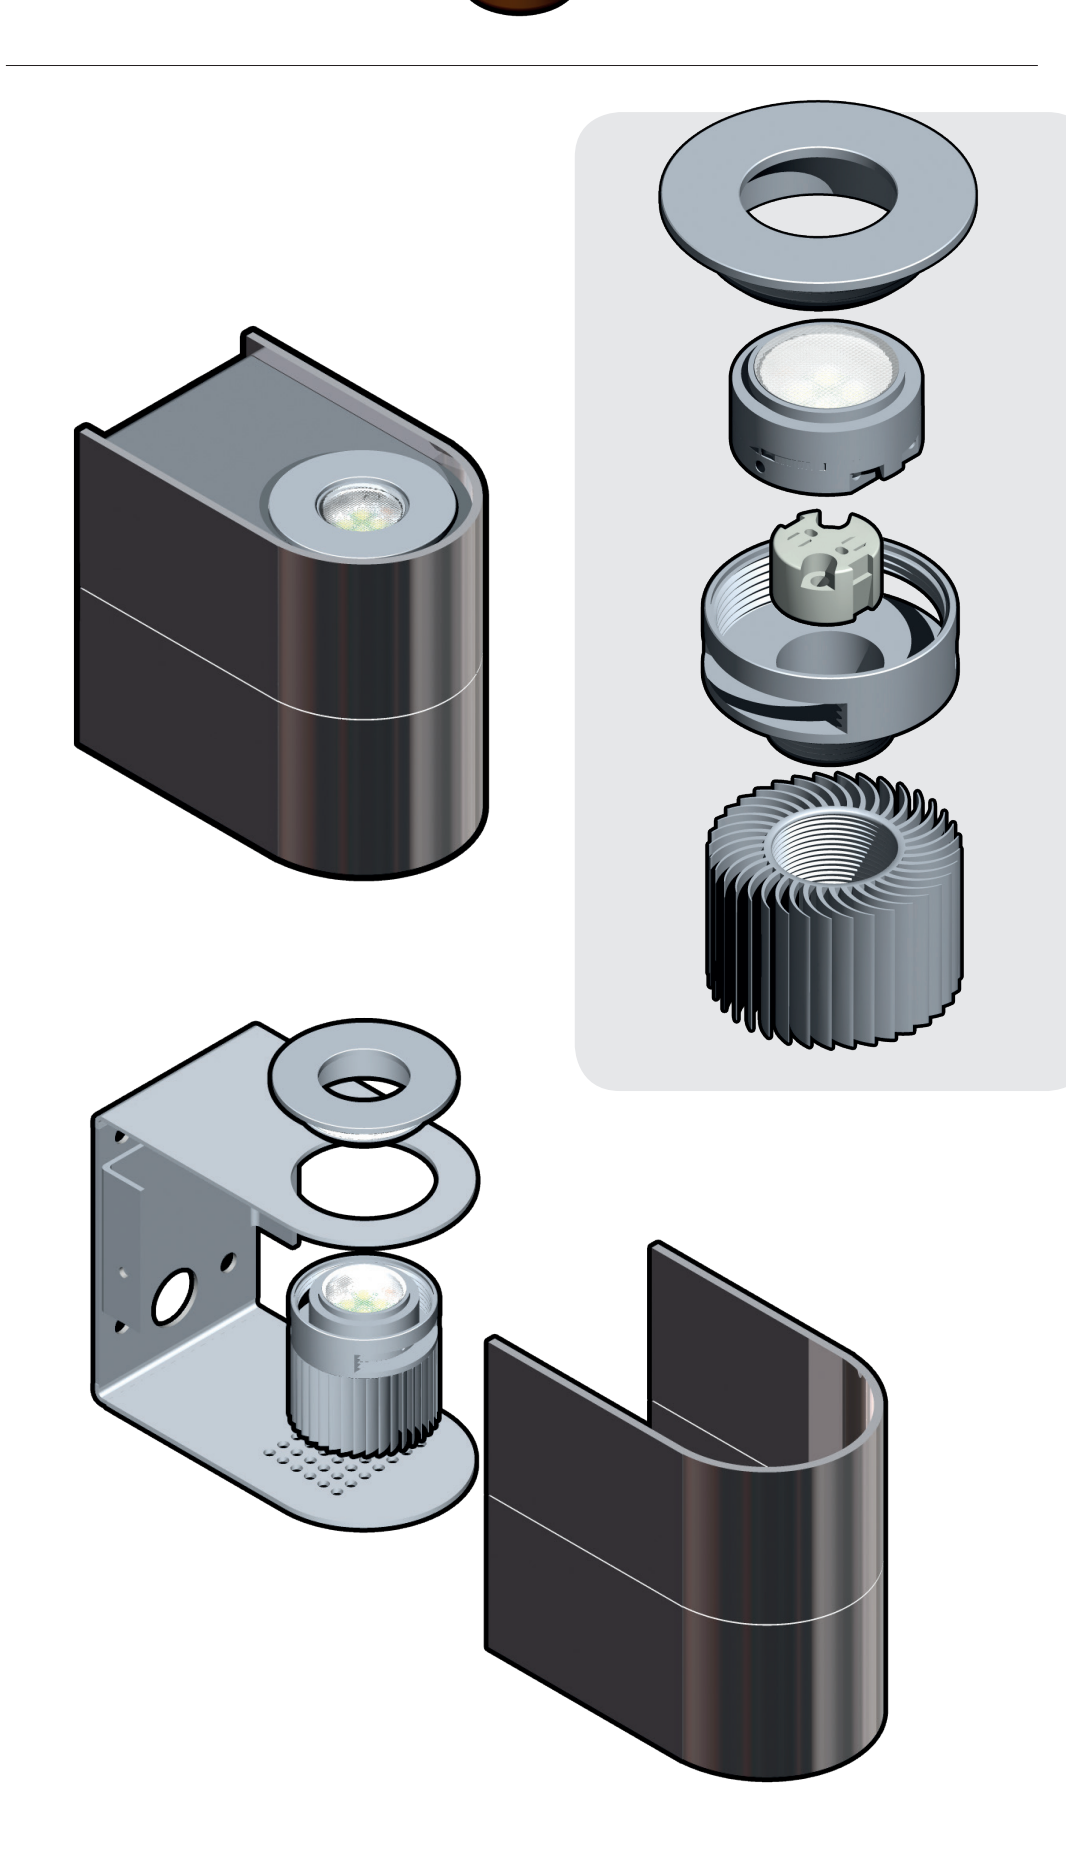

Esempi di applicazioni Applications

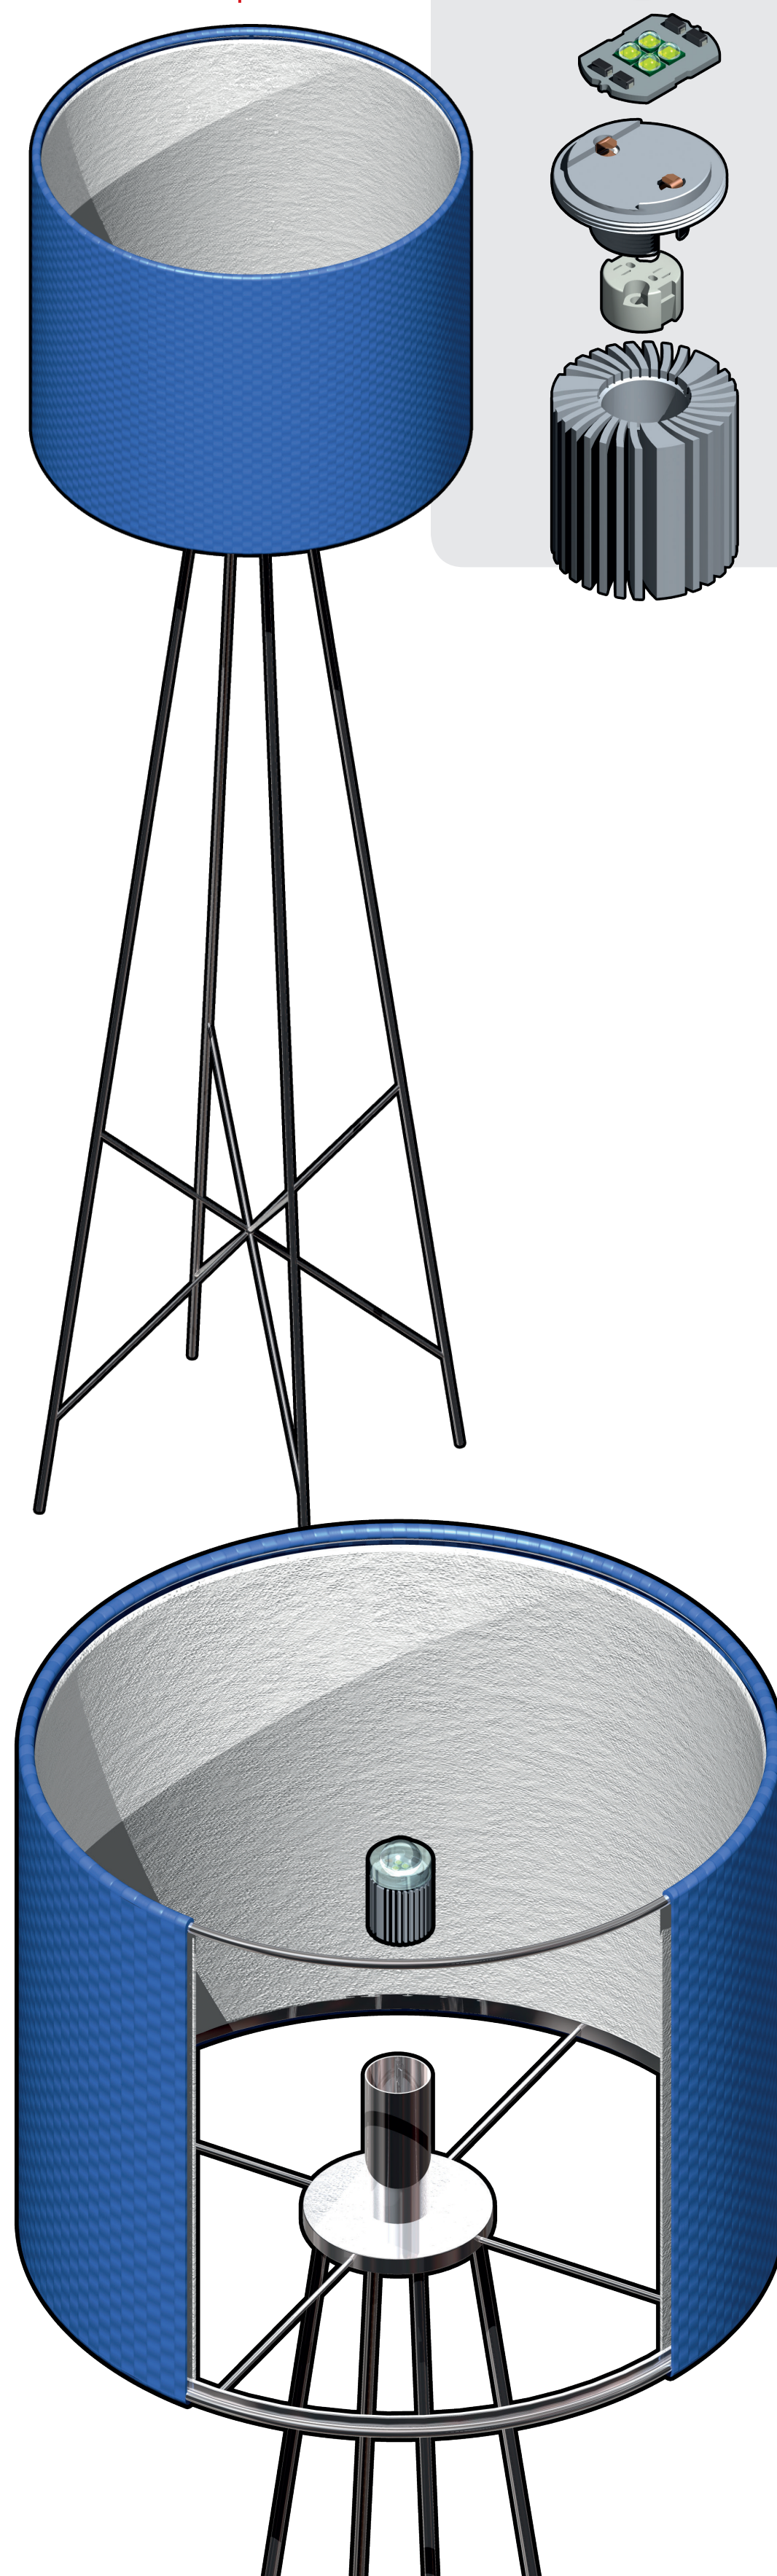

Lampade a sospensione Suspension lamps

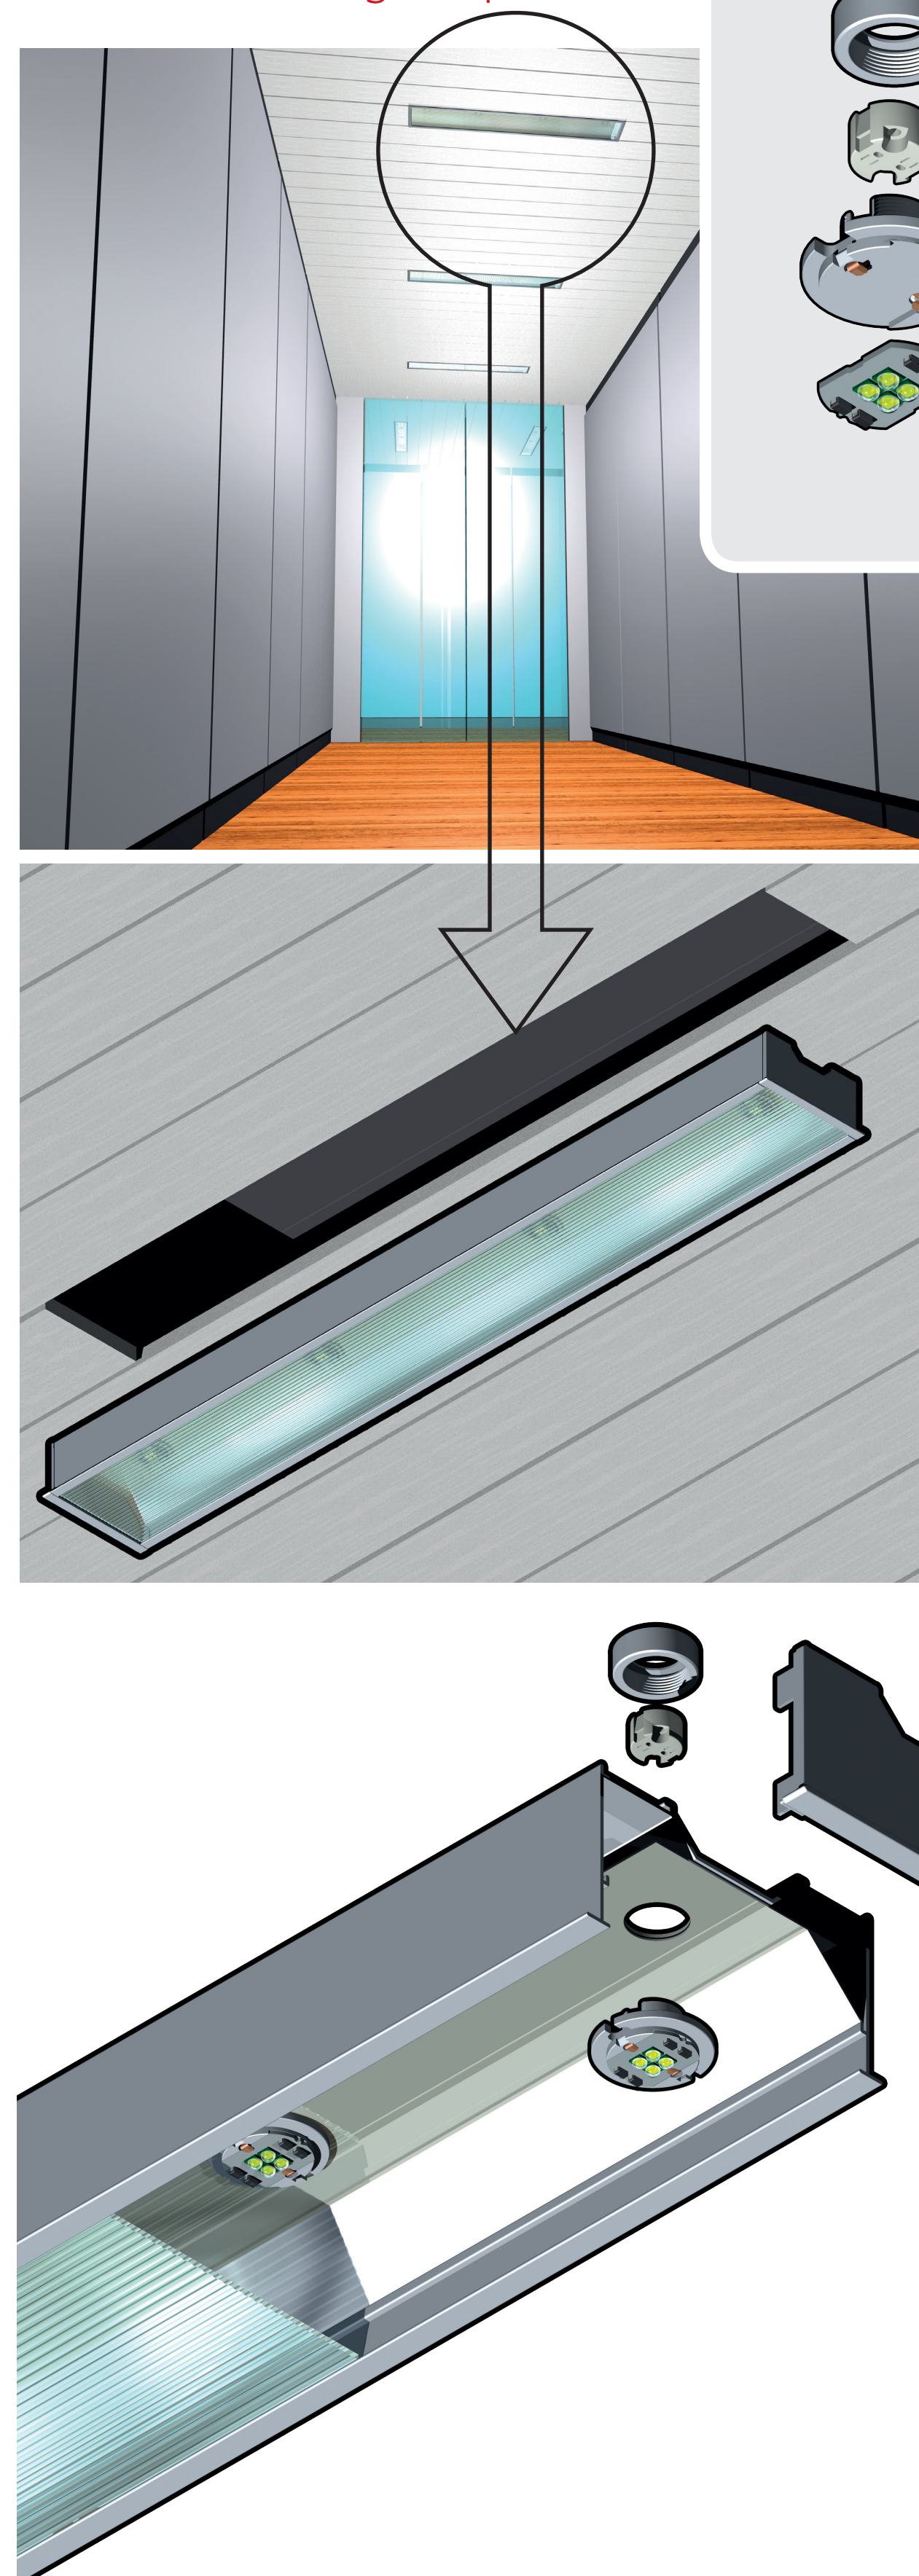

Lampade da parete Wall lamps

Lampade da terra Floor lamps

Plafoniere da incasso Recessed ceiling lamps

Faretti a incasso: sostituzione lampada dicroica Downlights: halogen dichroic lamp replacement
